

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. 1.312 is respectfully requested since it does not add any new matter or require further consideration. More specifically, the amendments to the specification have been made in order to comply with the USPTO requirements in response to the Examiner's request during a post-allowance review.

Applicants wish to thank the Examiner for the discussion regarding introducing the Brief Description of Drawings on February 2, 2009.

The specification has been amended to introduce a section "Brief description of drawings" on page 3 between lines 28 and 29.

Support for the amendments is found in the specification, as originally filed. Specifically, support for the amendments can be found on page 13, lines 15-18 (figure 1); page 14, lines 6-9 (figure 2); page 17, lines 3-11 (figure 3); page 17, lines 12-26 (figure 4); and page 18, line 14 to page 19, line 5 (figure 5).

The applicant's attorney has been diligent in correcting any informalities of which she has become aware.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.  
Norman F. Oblon
